

March 7, 1974

The next bill on General File is LB 755. Senator Carpenter.

SENATOR CARPENTER: Mr. President, 1028A, 790A, 865A and 983A are all A Bills obviously. And according to the rule they should be at the head of General File. And I ask unanimous consent they be moved to the head of General File.

PRESIDENT: Senator Carpenter has asked for several bills to be moved to ahead on General File. Now is it just A Bills that you are talking about, Senator Carpenter.

SENATOR CARPENTER: That's all, just A Bills.

PRESIDENT: O.K. The Chair will accept that motion. So LB 1028A is next.

CLERK: LB 1028A (read)

SENATOR CARPENTER: I move the bill be advanced to E & R for Initial.

(End Belt #5A)

(Start Belt #6A)

PRESIDENT: This is just for those A Bills that have already, where the bill has gone on and been advanced previously. Senator Stahmer.

SENATOR STAHMER: Yes, Mr. President, I wonder if Senator Carpenter would yield to a question.

SENATOR CARPENTER: Certainly.

SENATOR STAHMER: Senator Carpenter, I favor LB 1028A, I'm just curious as to the figure, whether or not it is adequate, too much or too little or who made up the figure and what in essence does it consist of.

SENATOR CARPENTER: I made up the figure, as I explained yesterday it was strictly judgement on my mind. Nobody can arrive at what exact figure should or will be.

SENATOR STAHMER: Well, I'll vote to advance it and I'll study the matter, thank you.

PRESIDENT: Are you ready to vote. Would you care to close Senator Carpenter. Those in favor vote aye, those opposed vote nay. Senator Whitney voting aye. Have you all voted? Clerk will record.

CLERK: Motion to advance.

PRESIDENT: LB 1028 A is advanced. The next bill is 790A.

CLERK: 790A (read)

PRESIDENT: Senator Carpenter did you have this bill? Senator Cal Carstens.

SENATOR CAL CARSTENS: Mr. Chairman and members of the Legislature. I move the bill be advanced to E & R Initial.
